Re: Letter of Recommendation

To whom it may concern:

It was a pleasure to work with Clint Bjella, Project Manager, and Walt Joyce, Superintendent, of Allied Construction Associates. The project was the Renovations at Rainier View Elementary School, a \$3.2M project which included exterior and interior improvements, mechanical and electrical systems upgrades, structural improvements, and playground and ADA improvements. I found Allied Construction Associates to be responsive, cooperative, fair in negotiations of change proposals, and proactive in helping to resolve issues.

Allied Construction Associates is well qualified and a team player in delivering a successful project. If you would like more information about this project, please do not hesitate to call me.

Sincerely,
